

Westminster

Ready to carry up to 35 stones, the Westminster is the true heavyweight in our range – longer, and wider than any other Freerider it is robust, rough and ready to tackle those dirt tracks, uneven ground and muddy puddles are nothing to the Westminster.

BUILT TO LAST

Sturdy double wishbone suspension to the front, twin shock absorbers to the rear, high ground clearance and 100Ah batteries make the Westminster strong enough to cope with whatever you expose it to.

READY FOR ANY WEATHER

With a water-resistant LCD dashboard, fixed twin mirrors, lights and indicators you can see clearly whatever the weather. Optional rain canopy available.

freerider[®]

Keep on moving...

There's a FreeRider for wherever you want to go.

Around town, into the park or countryside, down the street or off for the day trip in the car, there's a FreeRider that can take you there in safety and comfort

FR1

A pleasure to drive, with looks to take pride in, plus a host of comforting safety features and handy extras you'll find useful everyday. The FR1 is the next generation Class 3 scooter for anyone who takes pride in their ride.

LANDRANGER S HD

Why limit yourself to the tarmac, when the parks, grasslands and countryside are still calling? Our super-strength Land Ranger models are built for the great outdoors.

KENSINGTON

The Kensington is robust and hardwearing, but remains sleek and elegant. More saloon than sporty, the Class 3 Kensington oozes understated style.

CITY RANGER

If your looking for a compact Class 3 scooter, City Ranger leads the pack. The City Ranger is easy on the eye and easy to drive.

KNIGHTSBRIDGE

The Knightsbridge is one of our shorter, lighter and nimbler Class 3 scooters, and its freewheeling 3-wheel design makes it ideal for manoeuvring around the shops.

MAYFAIR

The Mayfair is mid-sized, but appeals to many thanks to its easy driving style on pavements, pathways and passages. It is suitable for both indoor and outdoor use because of its compact turning circle.

MINI RANGER PLUS

The performance and portability of the Mini Ranger with extra improved features for your comfort and reliability!

MINI RANGER

The Mini Ranger dismantles into easy pieces and folds away snugly into the boot of your car. Our most portable model gives you mobility wherever the road takes you.
