# FreeRider®

working together

## Keep on moving...

There's a FreeRider for wherever you want to go.

Around town, into the park or countryside, down the street or off for the day trip in the car, there's a FreeRider that can take you there in safety and comfort

FR1

A pleasure to drive, with looks to take pride in, plus a host of comforting safety features and handy extras you'll find useful every day! The FR1 is the next generation Class 3 scooter for anyone who takes pride in their ride.

WESTMINSTER

Ready to carry up to 30 stones, the Westminster is a true heavyweight in our range - longer, and wider than any other FreeRider and as robust, rough and ready as the FR1.

EVOLUTION 4MPH

Our original Mayfair has evolved. Now available with new features and a different look, more accessible than ever!

EVOLUTION 8MPH

Class 3 and 8mph, you will stand out from the crowd with next generation styling. Delta handlebars provide intuitive & comfortable controls.

FR1 CITY

From the next generation of stable scooters, our smallest and most nimble of the FR1 range, our FR1 City is built to tackle the roads ahead.

KNIGHTSBRIDGE

The Knightsbridge is one of our shorter, lighter and nimbler Class 3 scooters, and its freewheeling 3-wheel design makes it ideal for maneuvering around the shops.

KENSINGTON

The Kensington is robust and hardwearing, but remains sleek and elegant. More saloon than sporty, the Class 3 Kensington oozes understated style.

MAYFAIR

The Mayfair is mid-sized, but appeals to many thanks to its easy driving style on pavements, pathways and passages. It is suitable for both indoor and outdoor use because of its compact turning circle.
