

Mayfair 8 Deluxe

HIGHLY MANOEUVRABLE

The Mayfair 8 Deluxe is light on its feet and compact for an on-the-road scooter. 135.5cm in length and less than 103kg makes it pretty nippy.

ASSURED COMFORT

Adjustable captain's seat, comfortable armrests along with all round suspension ensures a high degree of comfort so you arrive fresh and relaxed.

PACKED WITH FEATURES

When fitted with 50Ah batteries it gives you the confidence to travel not just into town but also to those out of town shopping centres. A full all round lighting package and rear view mirrors mean you will always be able to see and be seen.
